### STUDIO FLORIS WUBBEN TULIP CERAMIC FLOOR LAMP

After six years of innovative research in extruding ceramics, Studio Floris Wubben undertook a new step in their exploration. In their latest collection, specifically created for The Future Perfect, you'll recognize familiar extruded shapes, but now they have been connected with other extruded designs and united with different materials, such as glass and wood. These clever conjugations allow for new functional objects to arise.  
Dia. 28" x H 53".
