STUDIO GREYTAK THE UNIVERSE COLLECTION IMPACT TABLE

By John Greytak

The Universe Collection is truly a million years in the making, exploring the intersection between design by nature and design by humans. Studio Greytak creates stunning objets d'art, furniture and lighting, and jewelry out of a curated collection of the Earth's finest gems and minerals.

STUDIO FLORIS WUBBEN TULIP CERAMIC FLOOR LAMP

After six years of innovative research in extruding ceramics, Studio Floris Wubben undertook a new step in their exploration. In their latest collection, specifically created for The Future Perfect, you'll recognize familiar extruded shapes, but now they have been connected with other extruded designs and united with different materials, such as glass and wood. These clever conjugations allow for new functional objects to arise.
Dia. 28" x H 53".
